

New Rate Alert!

As of 7/1/22 Highmark and any insurances that use the Highmark network will see increased allowed amounts.

How does this effect you?

- If you have a Highmark plan with a high deductible and you pay their rate per session, the allowed amount is now higher and you will owe a little bit more per session.
- If you have a Highmark plan and you have met your deductible and are now responsible for your coinsurance you will owe a little bit more per session.
- If this applies to you, and you have any questions please call our office 717.665.2675 and we can look at your specific plan or email us, support@phacentralpa.com for assistance.
